PROFESSIONAL SUMMARY:

Creative Project Manager with over 10 years of experience driving complex, multi-channel marketing, video, and digital delivery lifecycles within fast-paced agency environments. Proven track record managing \$2M+ client portfolios, leading SOW development, and controlling end-to-end financial health from scoping through reconciliation. Expert in aligning cross-functional teams, navigating strict regulatory/brand standards, and implementing AI-assisted operational workflows in Smartsheet, Asana, Notion, and Airtable. Strong background in hybrid Agile and Waterfall methodologies with a focus on risk mitigation and project quality.

CORE COMPETENCIES:

- Integrated Project Management & Multi-Channel Delivery (Digital, Social, Video, Print)
- Financial Stewardship: Budget Ownership (\$1.75M–\$3M+), SOWs, Forecasting, Burn Rates, & Reconciliation
- Client Partnership & Executive Stakeholder Management
- Regulated & Health-Adjacent Brand Asset Delivery & MLR Routing Compliance
- Process Optimization, AI Tool Integration, & Delivery Excellence - Agile & Waterfall Methodologies | Cross-Functional Team Leadership & Mentorship
- Tools: Smartsheet, MS Project, Excel, Asana, Notion, Airtable, Slack

PROFESSIONAL EXPERIENCE:

Project Manager

May 2025 - May 2026

Fingerpaint Media - Cedar Knolls, NJ

- Directed multi-channel delivery across concurrent product initiatives and label launches for regulated healthcare brand portfolios valued at \$2M+, ensuring strict compliance with FDA/MLR guidelines and brand standards.
- Executed complete financial stewardship across assigned accounts, authoring detailed SOWs, estimating project scopes, tracking monthly burn rates, and driving financial reconciliations to optimize profitability.
- Led cross-functional teams of creative directors, copywriters, digital producers, and regulatory strategists to produce high-impact social media campaigns, long-form video content, digital banners, and print collateral.
- Mentored junior project coordinators and PMs on agency delivery standards, risk management protocols, and scope-creep mitigation strategies.
- Designed and implemented AI-assisted routing workflows and project tracking systems in Airtable, Notion, and Slack, reducing review turnaround times and improving operational visibility.

Marketing/Advertising Project Manager

March 2024 - April 2025

Comcast - Philadelphia, PA

- Managed complex project schedules, resource allocations, and cross-functional deliverables for regional and national targeted marketing campaigns from pre-launch through post-launch execution.
- Partnered with data analysts, media planners, and business stakeholders to monitor project health, proactively resolve scope risks, and present weekly status reports to executive leadership.
- Applied hybrid Waterfall and Agile framework principles to track project milestones and manage dependencies across enterprise-level digital and traditional media channels.

Associate Producer/Social Project Manager, Consumer Brands Department

July 2021 - December 2023

Brand Project Coordinator

Known - New York City, NY / Los Angeles, CA

- Led daily project management and client communications for high-profile accounts (including Rockefeller Center), managing integrated teams producing paid social assets, video production, and physical print installations.
- Oversaw end-to-end production lifecycles, shoot scheduling with on-site commercial partners, and rigorous technical quality control across all digital, social, and print deliverables.

- Managed vendor PO tracking, project estimates, and budget allocations to ensure flawless delivery within strict cost parameters.

Freelance Production/Project Coordinator, Account Executive

December 2020 – July 2021

Compadre - Culver City, CA

Pollen - Los Angeles, CA

Concept Haus - Burbank, CA

- Coordinated cross-functional creative production projects in fast-turnaround agency environments, ensuring alignment with creative briefs, budget parameters, and key milestones.
- Enforced quality control standards across technical specs, production metadata, and client presentation decks.

Coordinator/Associate Producer, A/V Department

February 2019 – July 2020

BLT Communications - Hollywood, CA

- Oversaw multi-market campaign execution for high-visibility dynamic entertainment accounts under tight turnaround windows.
- Facilitated interdepartmental asset routing and production scheduling across video editors, graphic designers, sound engineers, and account leads.

ADDITIONAL CREATIVE PRODUCTION EXPERIENCE (2011-2019):

- Held progressive creative coordination, video production, and project management roles across entertainment agencies and commercial studios, developing deep operational expertise in content lifecycles.

EDUCATION:

Bachelor of Arts in Film & Media Arts, Minor in General Business Studies Temple University — Philadelphia, PA
